# The most trusted source for high-quality sports, fitness and physical education equipment

**F**ounded in 1961 by husband and wife team, Bernard Meller (1918–2013) and Dolores Meller (1931–2019), Champion Sports originated in the Bronx, New York.

Bernard Meller handcrafted his first piece of sports equipment in his basement, the Leather Boxing Rope with wooden handles. Bernard and Dolores worked side-by-side to create and run the business; which at that time was headquartered in their apartment building's basement. While Bernard was busy handcrafting jump ropes; Dolores took care of the business's finances. Their tireless hard work led to further ideas and those ideas manifested into the sourcing and procurement of a wide variety of products. In their ambition to expand further upon a dream, they decided to open their first location in lower Manhattan.

*Champion Sports has grown to become a household name as a family-owned operation.*

Today, our expansive 200,000 square foot facility is known for its wide-ranging product selection, on-time delivery and in-stock levels of merchandise.

Superior assortment, service and reliability became an identifier for Champion Sports throughout the industry. To further service our continually growing customer base we will be adding on to our infrastructure in the form of additional space, personnel and expansive resources. We are proud to continue our growth initiatives, progressing with our third generation operations.

At Champion Sports, we stand behind our products and ensure that we can foster an experience that fully aids you in reaching your desired goals. Champion Sports has you covered. We carry over 2,000 products tailored for the team and individual athletic market, fitness enthusiast, physical education programs and the educational market.

Above all, we value our customers and ensure that our high-quality products are always attractively and reasonably priced. We welcome dealers, institutional buyers and resellers of all types. If you have any questions or would like to inquire about becoming an authorized dealer or reseller, please get in touch with us. See next page for contact details.

The Champion Sports Magnesium softball fielder's mask is the lightest obtainable mask on the market. Weighing in at 8 oz, it is 30% lighter than any available mask and its molded magnesium frame provides enhanced strength while still maintaining its light weight. The narrower design stays close to the face and the maximum sight lines allow for a wider field of vision. This high-impact frame is unbeatable.

## 4-IN-1 KICKING TEE

<b>KTT41</b>	Black	<b>\$25.88 each</b>
--------------	-------	---------------------

- Mode 1: Ground level
- Mode 2: 1" Kicking block
- Mode 3: 1" Kicking tee
- Mode 4: 1.75" Kicking block

**Mode 1.** The ball is supported at about ground level so you can learn to kick field goals like the pros.

**Mode 2.** When practicing with a holder, flip the tee so the flat side is facing up to create a 1" kicking block. The small projections make for a fast and sure hold under any weather conditions. No slipping when wet.

**Mode 3.** In the orientation of Mode 1, insert the tee into the plastic base to create a 1" kicking tee.

**Mode 4.** In the orientation of Mode 2, insert the tee into the base to create a 1.75" kicking block.

When you see this surface texture, you know you are buying an authentic GROUND ZERO®, TOE-TAL®, or TRIPLEX® tee.

We design and manufacture all of the RHINO Skin® balls in our state-of-the-art Swedish factory.

We cover each ball with a proprietary coating that increases durability and grip while eliminating contact sting. The ball coating is mixed in-house, to eliminate waste and reduce environmental impact. We also avoid using materials that could lead to dangerous chemical leaks – making our balls safer for both children and the earth, so it's a win-win.

After we make each batch of balls, we submit them for testing and approval by Eurofins, an organization that surpasses traditional USA standards. Don't worry, though – our balls are also approved in the United States for toy safety.

**F**ounded in 1961 by Bernard Meller (1918–2013) and Dolores Meller (1931–2019), Champion Sports originated in the Bronx, NY. That year, Bernard designed his first piece of handmade sports equipment, the leather boxing rope with wooden handles, and then Champion Sports took off. While Bernard was busy handcrafting jump ropes in their apartment building’s basement, Dolores ran the finances of the business.

Starting with a classic handcrafted jump rope, Champion Sports has grown to providing over 2,000 premium products today to dealers and organizations across the nation.
