EDGE SCORING SYSTEM CATALOG

One-Sided
Two-Sided & Three-Sided
Scoring Systems

Befour's highly popular indoor multi-event scoring system has wireless capability and includes a handheld Android tablet with a downloadable app. The SS-2000T features programmable practice sessions with customizable workout and rest time durations as well as multiple audible horn options. This versatile and easy to use time & score clock is perfect for **any indoor sport including wrestling, volleyball, hockey and basketball**, as well as **any timed event including conditioning drills, athletic practices, circuit training** and any event needing precision timing.

THE MATCH SCREEN

Befour's newest controller comes as a powerful and intuitive android touch screen

The SS-2000T is our scoring system that combines all of the previous functions of the former, SS-2000 Multi-Sport Timer and the SS-2100 Wrestling Advantage Timer into a single score clock. When used for wrestling, in addition to scoring and timer shown on the score clock, supplementary information can be displayed on the tablet controller, including Advantage (Riding) Time, Injury, Blood & Recovery Time if desired.

FEATURES & BENEFITS:

- **Numerous Uses:** For indoor sports, practices and other timed events
- **Scoring (0 to 99 points):** For games and practice sessions
- **Timer (0:00 to 99:59):** Counts up or down
- **Programmable Period Timer:** Set default time in each interval
- **Circuit Timing and Counting Feature:** Counts each interval
- **Super Loud Horn:** Customizable with multiple options, volume levels and on/off setting
- **Quick Practice:** Modify workout and rest periods to create a standard practice session
- **Customized Practice Sessions:** Create up to 10 Individualized timed intervals with unique session names, workout durations and rest periods

Optional Carry Case:

HC-2010 Hard-Shell Carry Case

Polyethylene hard-shell case with foam interior designed for added safety during transport and storage. Stores scoring

BEFOUR

Portable Scoring Systems

Two & Three-Sided Scoring Systems with Tablet Model SS-3200T & SS-3300T

Designed for indoor use at multiple sport tournaments such as wrestling, martial arts, volley ball, basketball, and more. The three-sided configuration allows 360 degrees visibility, allowing the audience to see the display from every angle, while the two-sided display is viewable from opposing sides but performs just like the SS-3300T version. Both scoring systems have a one-piece display, making set-up and take-down quick and simple.

SS-3200T

Two-Sided Scoring System

OR

SS-3300T

Three-Sided Scoring System

THE MATCH SCREEN

Befour's wireless control tablet mimics the full-size display and is an intuitive and easy-to-use Android
